

Event Spaces

As Bristol's home to deep tech

our spacious events areas are designed to promote connection and collaboration between teams, clients and customers.

By hosting your event with us, you'll be in the beating heart of cutting-edge innovation. The blend of industrial and contemporary design provides an inviting contrast between work and play - whether you need a private boardroom, or buzzing bar for networking, we have the space for you, plus a dedicated onsite events team to ensure your event runs smoothly.

CAPACITY 16 – 30 PEOPLE

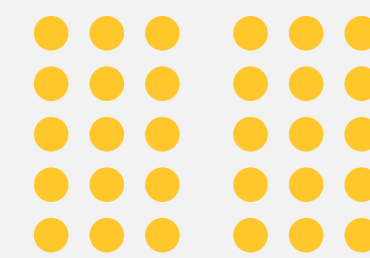

Hydrogen and Oxygen

Flooded with natural light, these rooms can accommodate between 16 to 30 people. Each room is fully sound-proof, perfect for confidential meetings.

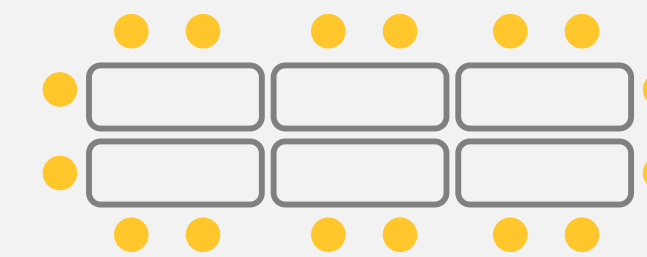

Hydrogen and Oxygen are flexible spaces and can be set out as a boardroom or theatre style.

With the hire of either Hydrogen or Oxygen, you'll also have use of one side of the mezzanine for catering, tea breaks or relaxing. An open and airy space, the mezzanine sits at the heart of the incubator, looking out over the foyer and the hub of activity.

LAYOUT OPTIONS

THEATRE

BOARDROOM

HYDROGEN AND OXYGEN FEATURES

- High speed fibre WiFi
- Wall mounted 86" 4K LED TVs
- 4K Ultra-HD webcam
- Two table microphones
- Plug and play HDMI / USB

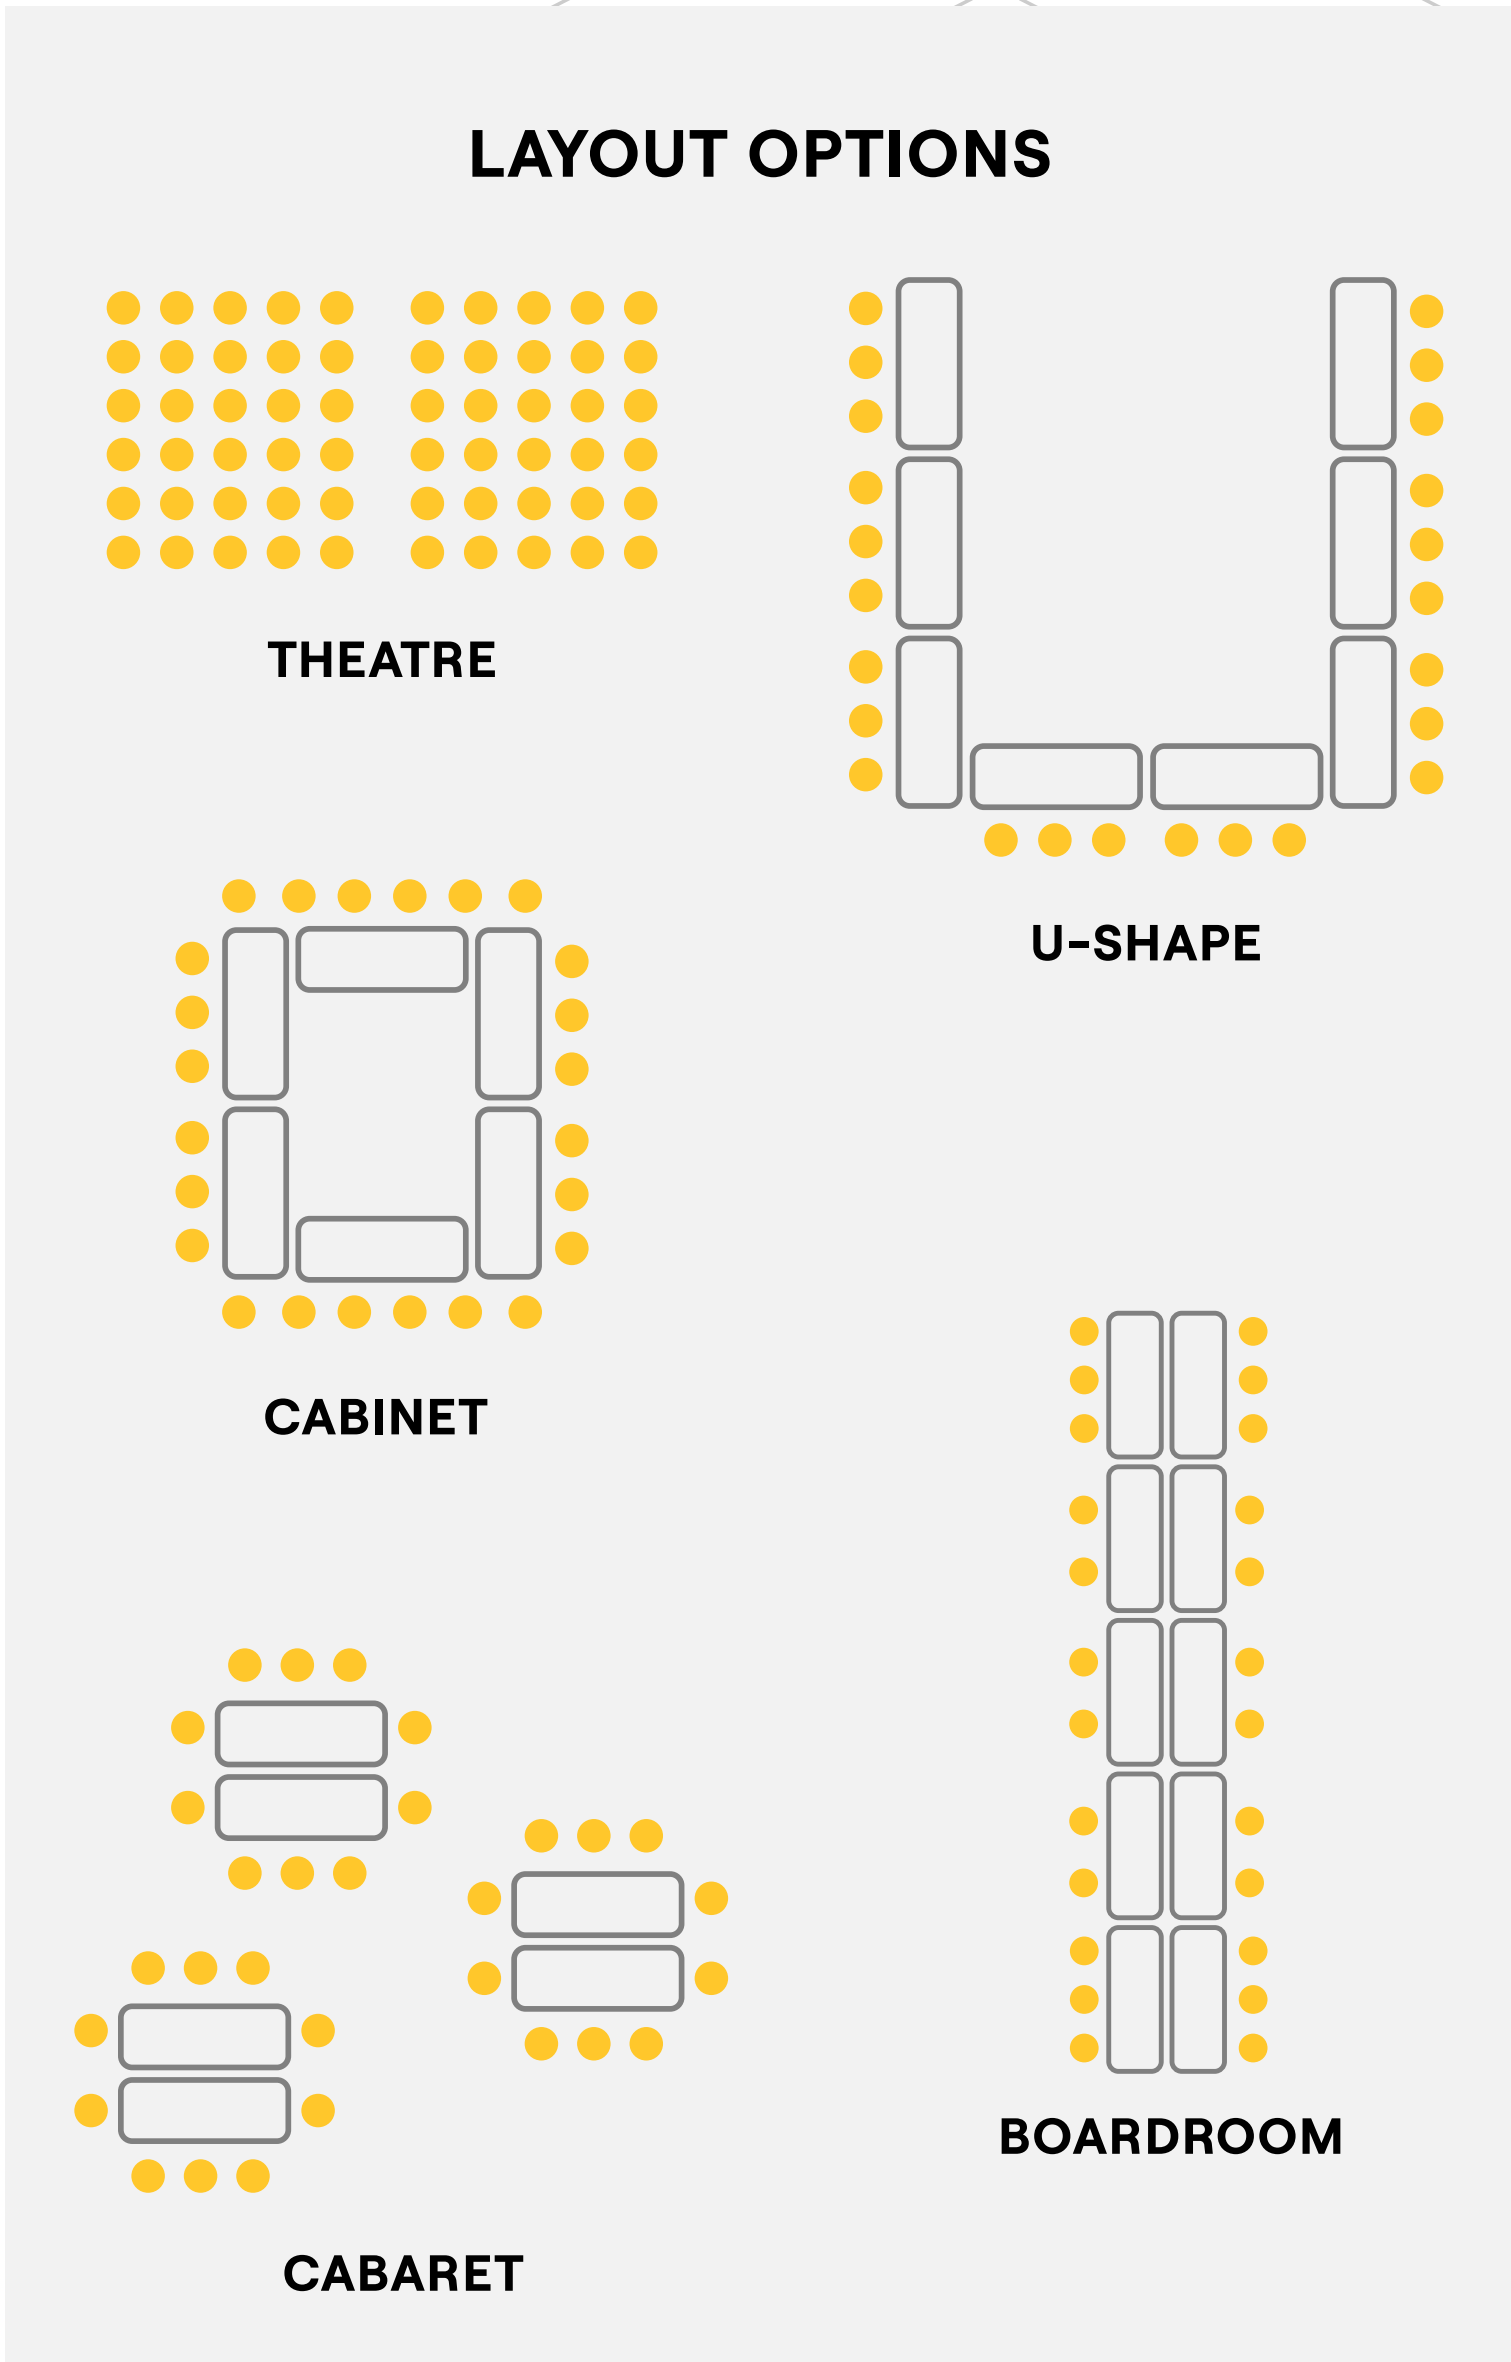

CAPACITY 32 – 60 PEOPLE

H₂O

Combine Hydrogen and Oxygen into H₂O, a larger room with space for 32 - 60 people. With H₂O, you'll have exclusive access to the whole of the mezzanine and more options for seating layouts. Our in-house team are also at hand to move the spaces around, perfect for hybrid events.

- H₂O FEATURES**
- High speed fibre WiFi
 - Wall mounted 86" 4K LED TVs
 - 4K Ultra-HD webcam
 - Two table microphones
 - Plug and play HDMI / USB

CAPACITY UP TO 100 PEOPLE

1023

Our largest event space, 1023, the Science Creates Bar, is ideal for networking and unwinding after a busy day. Able to host up to 100 people, hiring this space also includes the front terrace, perfect for summer evenings in the city.

1023 FEATURES

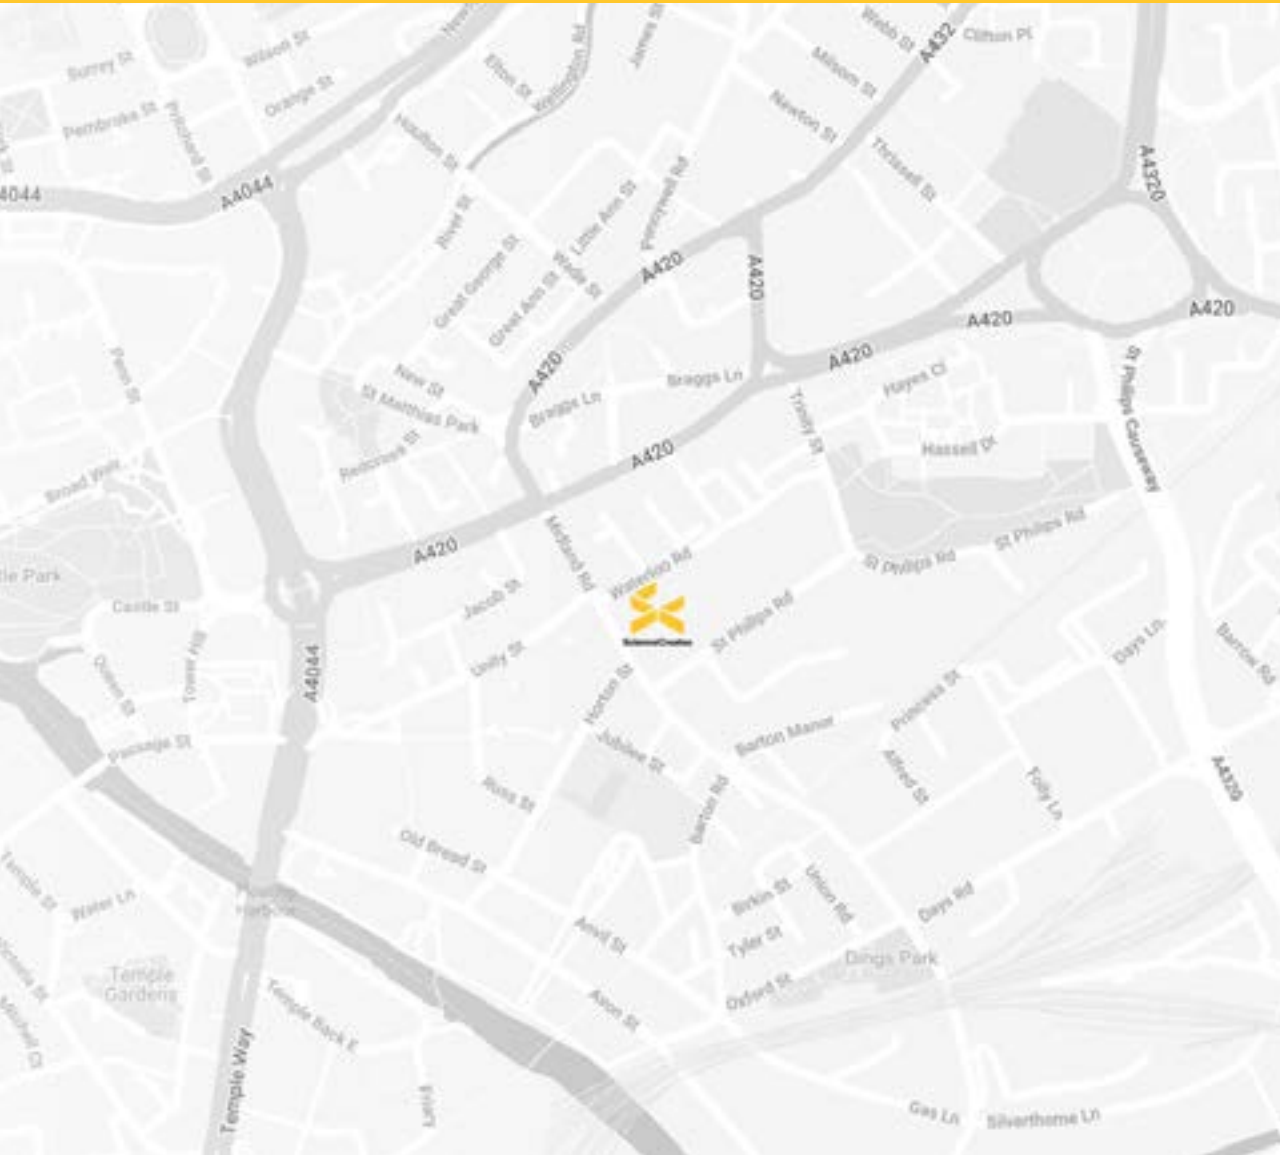

- Local craft beer
- Dedicated bar staff
- Combine it with your event room booking
- Available for evening hire only
- Separate AV required

Catering

Various catering options are available for any kind of meeting. Using only the freshest ingredients sourced from the South West, our selection of caterers can cook up storm with anything from cakes to a three-course meal.

Let us know of any dietary requirements, and our in-house team will take care of the rest.

Accessibility & Travel

All of our event spaces are fully accessible, with wheelchair accessible toilets and lift, and level flooring throughout. If you, or any of your delegates have specific access needs, don't hesitate to contact us.

We encourage active travel or using public transport to get to Science Creates Old Market and our city centre location makes it easy to do so. We're a short walk from Temple Meads train station and at the end of the Bristol to Bath cycle path. If you need to drive, there's plenty of parking at the rear of the building.
