

Event Spaces at Science Creates

Bristol's home to deep tech

Our spacious events areas are designed to promote connection and collaboration

By hosting your event with us, you'll be in the beating heart of cutting-edge innovation, where a blend of industrial and contemporary design provides an inviting contrast between work and play. Whether you need a private boardroom, or buzzing bar for networking, we have the space for you, plus a dedicated onsite events team to ensure your event runs smoothly.

CAPACITY UP TO 60 PEOPLE

H₂O Event Space

Flooded with natural light, H₂O can accommodate up to 60 people. This sound-proof space is perfect for confidential meetings, and its flexibility gives you a variety of options for seating layouts.

Optional access to the mezzanine is available for catering, tea breaks or relaxing. An open and airy space, the mezzanine sits at the heart of the incubator, looking out over the atrium and the hub of activity.

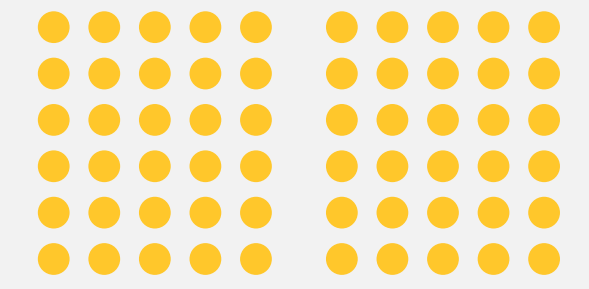

All of our event spaces are fully accessible, with a wheelchair accessible lift and level flooring throughout each floor. We also provide disabled and gender-neutral toilets, a quiet room for delegates who need a private moment, and the option for a hearing aid loop.

H₂O FEATURES

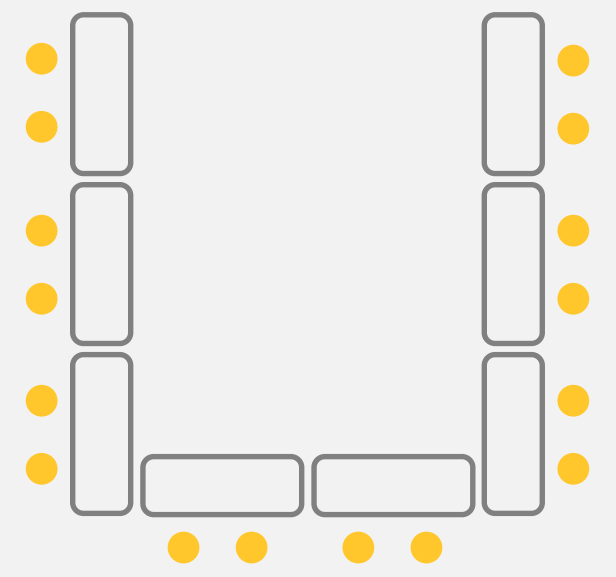

- High speed fibre WiFi
- Wall mounted 86" 4K LED TVs
- 4K Ultra-HD webcam
- Two table microphones
- Plug and play HDMI / USB

1023 Event Space

The 1023 event space is our largest event space and it is ideal for networking and unwinding after a busy day. It includes 1023, the Science Creates bar, which comes with a dedicated bar team, and can host up to 120 people. Hiring this space also gives you access to the front terrace – the perfect place for summer evenings in the city.

Using fresh, local ingredients sourced from the South West, our selection of caterers can cook up a storm with anything from cakes to a three-course meal. Let us know of any dietary requirements and our in-house team will take care of the rest.

1023 FEATURES

- Fully licensed
- Local craft beer
- Dedicated bar staff
- Combine it with your event room booking
- Available for evening hire only
- Separate AV required

CAPACITY UP TO 20 PEOPLE

The Learning Lab

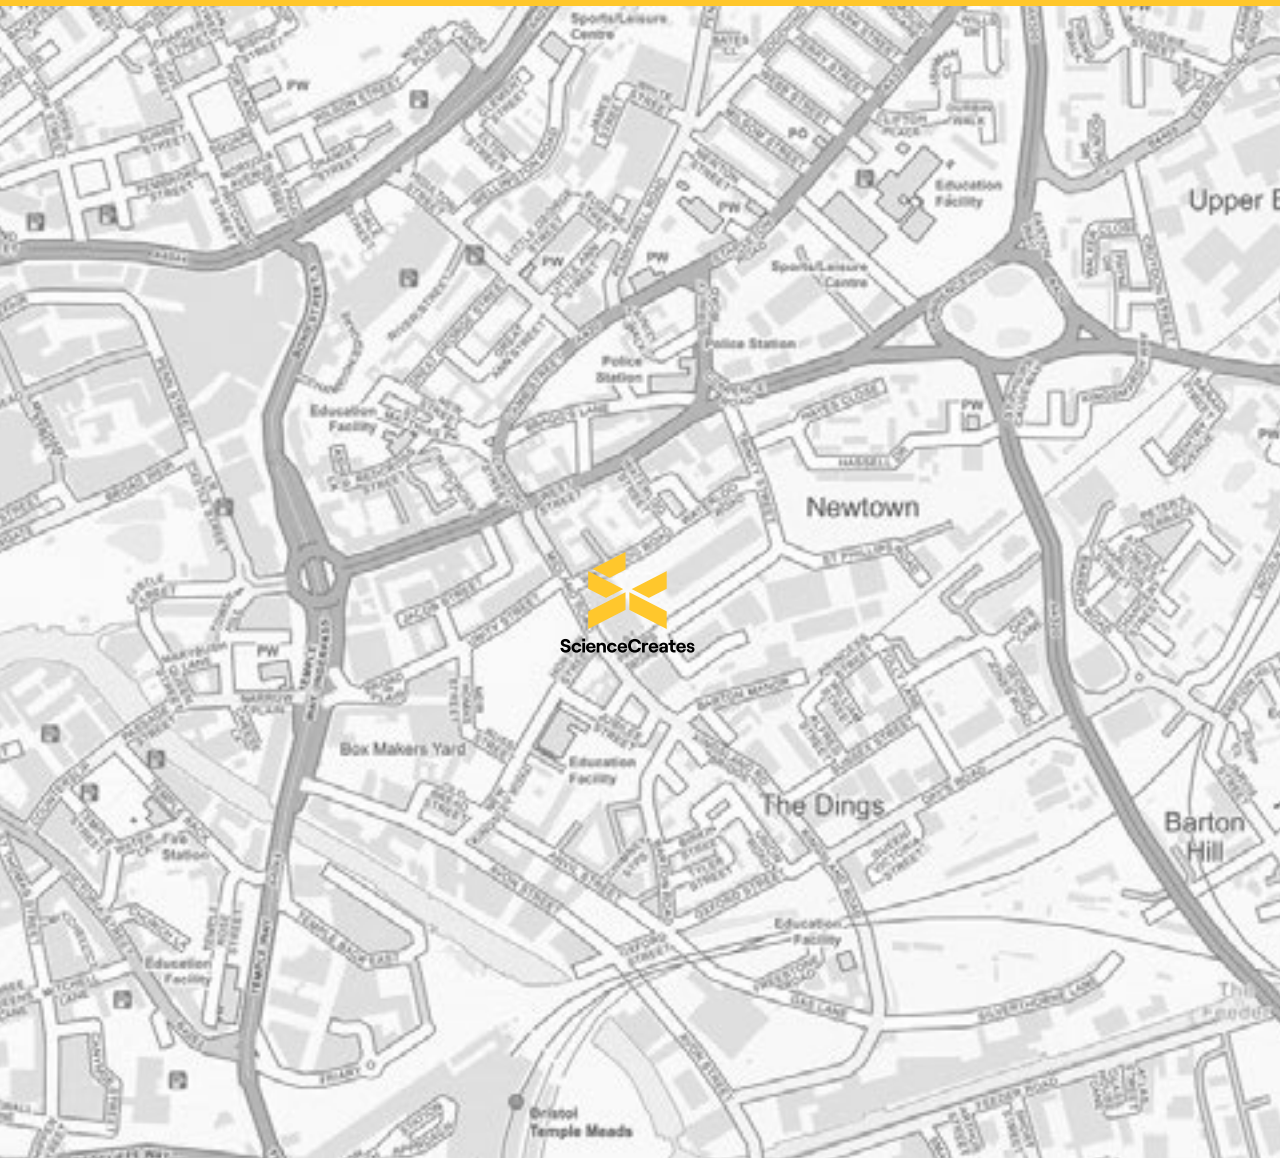

The Learning Lab is a replica laboratory, available to hire for many purposes, including for outreach activities, private events or as an exhibition space.

Perhaps you'd like to hold a meeting in an atypical environment, organise a unique team building session or invite guests to demo a new piece of equipment.

Explore our flexibility by transitioning from a boardroom style meeting, to an interactive team building session run by our dedicated lab staff, followed by fresh catering and drinks at the adjacent 1023 bar.

THE LEARNING LAB FEATURES

- Flexible layout options
- Projector with full device compatibility
- Easily accessible ground floor location
- Optional catering and bar access
- Containment level one lab
- Trespa benching and lab-grade flooring

Travel

We encourage active travel or using public transport to get to Science Creates Old Market and our city centre location makes it easy to do so. We're a short walk from Temple Meads train station and at the end of the Bristol to Bath cycle path.
